

WORKSHEET 2

ACTIVITY NAME : The Game Of Guessing The Word

AIM : Guessing the word that was read lengthily.

EQUIPMENTS : The cards having pictures of the objects are generally known by the students(sun,bell,hand-held-fan,flag,tree,cup,airplane,clock etc.).

AGE GROUP : 6-8 Years old

Individual / Group activity

PRACTICE : Picture cards are put into the front of the students.Next,say the words fairly slowly like 'snake speaking' it is expressed.For instance ; ffflllaaggg.Students try to find the word the teacher said by looking the cards in front of them.At this point,each student's guessing their own answers without hearing other students'answers is important.The same practice can be done like getting each child's answer alone and then having the other children's answers by making them say in chorus.
