Activity

1. Matches between descriptions and images.

I'm made of paper and have a lot of letters and pictures I often be used by people of all ages.

I am a very tasty fruit. I come from the orchard and the people are very fond of eating me, making juices and delicious desserts. I can be red, yellow and green.

I am a means of transport walking in the sea. I am very big and I transport people and goods between countries.

I am an animal with two wings and a beak. I have the body covered with feathers. I like to eat grain and worms. Lay eggs and live in the henhouse.
